www.aala.us

Week of August 13, 2018

BREAKING NEWS!

AALA members overwhelmingly ratified the 2017-2020 Tentative Agreement (TA) with LAUSD. With all votes counted, 98% of those voting were in favor of the TA. The next step is for the Board of Education to approve it at its next regular meeting.

HIT THE GROUND RUNNING!

AALA members know that within one hour of being on the job after returning from vacation it feels as though they were never gone at all. The vacation (if any) was woefully short, and the workload continues unabated. Nevertheless, frontline managers make the commitment to focus their energy on the needs of students, push aside distractions, and ensure all goes well at their respective sites. While site administrators welcome students and teachers back to school, we suggest, as we have in the past, that you wear running shoes. You're going to need them!

This year AALA can celebrate the ratification of our certificated Successor Agreement, 2017-2020, which was approved by 98% of those voting. Unit J's contract just expired on June 30, 2018, and negotiations will begin shortly. Additionally, the Health Benefits Committee, which represents the District and all bargaining units, was able to maintain health benefits for employees for another two years, despite increased insurance costs.

We are pleased with these achievements, however, the struggle continues. AALA's priorities this year are the same as in previous years:

1. Continue improving administrator/student ratios at school sites, to ensure safety, the supervision of instruction, family engagement, and accountability.
2. Negotiate fair, equitable, and supportive evaluation and performance bonus systems for both certificated and classified members.
3. Maintain employees' health benefits.
4. Continue reducing administrators' workload to enable them to fulfill their professional responsibilities.

In the spirit of collaboration, we again offer the following suggestions to District senior staff:

- Strengthen peer support, collaboration, trust, shared responsibility, and continuous learning for the adults in the system.
- Lead with understanding and compassion, not intimidation. Banish fear from the District's culture.
- Commit to educating the whole student, not just improving the data picture.

HIT THE GROUND RUNNING! (Cont.)

- Limit the number of initiatives and directives to what is actually achievable.
- Establish a single line of communication between supervisor and administrator.
- Recognize that without the hard work of your frontline managers, no policy can be implemented effectively and no initiative is achievable.
- Remember that “the overall purpose of employee evaluation is to help each employee perform his/her job more effectively... (AALA Unit J Contract, Article X, Section 1.0).” This guiding principle is to be applied equitably in the treatment of all employees.

DUE PROCESS IS A RIGHT

With the start of the new year and the ratification of a new agreement, it is wise for AALA members to be aware of the rights that have been negotiated through the collective bargaining process with the District. One key provision in both the certificated and the classified contracts is that of due process. Due process is a legal requirement that protects an individual from unfair, arbitrary, or unreasonable treatment based on the 5th and 14th Amendments to the Constitution. It was originally related to laws that could be passed by states but extends to employment laws as well. Employees are to have substantive and procedural due process rights with regard to discipline or termination. Due process can relate to the evaluation process as well as the disciplinary process.

AALA members need to be familiar with their contract (Article VII-certificated; Article X-classified). Know your rights! Before you find yourself in a situation where you are receiving some type of disciplinary action, know that you should have received appropriate assistance and guidance. As we emphasized last week, you have the right to have a union representative attend any meeting that is going to be disciplinary in nature, and you must receive written notification of such. This includes the issuance of an Unsatisfactory Service or Act, unless it is an emergency situation.

NOT AN AALA MEMBER YET?

A recent Supreme Court decision reversed a union’s right to collect fair share or agency fees from nonmembers for the benefits obtained for all employees in the bargaining unit. If you have not become an AALA member yet, this is just a reminder that all of your working conditions, including salary and benefits are negotiated by AALA. We work to protect your human and professional rights so that you are treated fairly and equitably in a healthy and nonhostile environment. During the recent certificated ratification vote on salaries and a three-year contract, only dues-paying members of AALA were able to vote. We urge you to become a member and share the load with your colleagues to maintain the greatest leverage for your profession.

ACSA WOMEN IN LEADERSHIP SUMMIT

The ACSA Region 16 3rd Annual Women in Leadership Summit is scheduled for March 30, 2019. If you are interested in cochairing this event, please send a message to frances.baez@lausd.net. This will be the best Women in Leadership Summit yet!

FAQ— **HOW MENTAL HEALTH AND WELLNESS AFFECTS EDUCATORS**

ALA thanks the School Mental Health Unit for this FAQ.

Research shows that the work of educators, most notably school principals, is filled with high levels of stress on a daily basis that could lead to burnout. Burnout is characterized by physical, mental, and emotional exhaustion. Stress, when left unchecked, may result in health problems such as high blood pressure, heart disease, obesity, and diabetes. We can manage stress by taking better care of ourselves—by eating healthy, exercising, and taking time to enjoy life’s pleasures. We can also get help managing stress by working with a mental health professional, which can be accessed through the District health plans.

What is mental health? (mentalhealth.gov)

Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make choices. Mental health is important at every stage of life, from childhood and adolescence through adulthood, and ranges on a continuum from well-being to mental illness. Life experiences may affect where we are on the continuum at different times in our lives. This is a reminder that emotional well-being is just as important as physical well-being.

Research indicates that 1 in 5 American youth and adults will experience mental illness. Fifty percent of individuals experiencing mental illness had symptoms that started by age 14. However, on average, there is an 8 to 10 year wait from the time a person starts experiencing mental health symptoms to when they actually get treatment.

What does it mean to be mentally healthy?

Good mental health allows you to enjoy life’s pleasures, realize your full potential, cope with the stresses of life, work productively, engage in healthy relationships, and make meaningful contributions to your communities.

What are ways to promote mentally healthy well-being?

- Access community resources
- Connect with others
- Maintain optimism
- Engage in physical activity and exercise
- Help others
- Eat healthy and get enough sleep/rest
- Develop and maintain healthy coping skills
- Ask for help, there is professional help if you need it

In addition to job stresses, what else can affect our mental health?

- Stressful life situations, such as financial problems, a loved one’s death, or a divorce
- An ongoing (chronic) medical condition, such as diabetes
- Traumatic experiences, such as being abused or neglected as a child, domestic violence, or military combat

MENTAL HEALTH (Cont.)

- Use of alcohol or recreational drugs
- Having a biological family member, such as a parent or sibling, with a mental illness

What are some early warning signs of mental health problems?

- Eating or sleeping too much or too little
- Inability to perform daily tasks like taking care of your children or getting to work or school
- Isolation from loved ones or not engaging in activities that used to bring you joy
- Feeling unusually confused, forgetful, on edge, angry, upset, worried, or scared
- Experiencing severe mood swings that cause problems in relationships
- Having persistent thoughts and memories you can't get out of your head
- Feeling helpless or hopeless
- Thinking of harming yourself or others

How can I get help through our medical plans? (As of January 1, 2017, the Employee Assistance Program (EAP) is no longer available.)

ELIGIBILITY FOR CAREER INCREMENTS ON THE MASTER SALARY TABLE

As many of you are aware, AALA recently negotiated a third career increment for members on the Master Salary Table. To that end, we are providing the following information on how one qualifies for the career increments.

- **First Career Increment**—Most employees will be eligible for the first career increment after ten school years of service on the Master Salary Table (MST). In addition to the 10 years of service on the MST, employees must also have 15 years of service with the District in order for the career increment to be processed. Five years of out-of-District service, deemed creditable by Salary Allocation Branch, may satisfy part of the 15-year requirement. The ten years can be reduced (not to exceed 6 years) on a year-by-year case if the newly assigned administrator was previously on a career increment on the T Table or D Table.
- **Second Career Increment**—Administrators must have been paid on the first career increment for five years.
- **Third Career Increment**—Administrators must have been paid on the second career increment for five years.

For full career increment eligibility requirements, please see LAUSD/AALA Collective Bargaining Agreement, Article XII, Section 9.0. If you have questions or would like to check on your eligibility, please contact **Maria Voigt**, Director, Administrative Assignments, at maria.voigt@lausd.net or 213.241.6365.

ASPIRING PRINCIPALS AND ASSISTANT PRINCIPALS PROGRAMS

We encourage employees who wish to become assistant principals or principals to participate in the Aspiring Principals (APP) or Aspiring Assistant Principals (AAPP) programs. The District has adopted these programs as the primary promotional process for assignments in the 2019-2020 school year. To be placed in the LAUSD eligible pool for principals or assistant principals, candidates must successfully complete APP or AAPP by attending all sessions, finishing all assignments and related assessments, and passing the culminating in-basket examination. Sessions are held twice a month on Wednesdays from 5:00 p.m. – 8:00 p.m., October through April. Once approved, participation can be either in-person or online via MyPLN.

Site administrators are encouraged to share this information with eligible staff members. The application deadline for the APP is Thursday, August 30. To obtain information and application materials for APP, click [HERE](#) or contact **Dr. Marco Nava**, Administrative Coordinator, at mnava@lausd.net. The deadline for AAPP is Wednesday, September 12. To obtain further information and the application for AAPP, click [HERE](#) or contact **Maria Sotomayor**, msotomay@lausd.net, or **Debbi Laidley**, debra.laidley@lausd.net, Administrative Coordinators.

WE NEED MORE AALA ANGELS

We wish to again thank the more than 200 members who officially became AALA Angels by signing up for an automated payroll deduction of \$5 or more to support the Friends of AALA Scholarship Program. The \$5 pledge goes directly to the \$2,000 scholarships that are awarded annually to deserving LAUSD graduates. The Class of 2018 was awarded thirty \$2,000 scholarships. The Association's present commitment is to give at least twenty-five \$2,000 scholarships to the Class of 2019.

We want to encourage AALA active members who haven't joined the ranks of Angels to please consider making the \$5 (or more) tax-deductible monthly commitment to help our students achieve their dreams of higher education. As the number of Angels increases, so does the number of scholarships we can provide. Please click [HERE](#) to complete the necessary paperwork for payroll deduction so you, too, can become an AALA Angel. Please also share this information with those at your site as any LAUSD employee can become an ANGEL.

Superintendent Beutner gave his first annual beginning-of-the-school-year speech to District administrators on Thursday, August 9. You can see the replay of it on KLCS on Friday, August 10, at 8:00 p.m., or Sunday, August 12, at 3:00 p.m.
